GENERAL MATTERS

Section 7.01 Acceptance

Each party has reviewed this Agreement, accepts all its provisions, and agrees to be bound by all its terms.

Section 7.02 Successors

Except as otherwise provided in this Agreement, all provisions of this Agreement bind, inure to the benefit of, and are enforceable by and against the respective heirs, executors, administrators, personal representatives, successors, and permitted assigns of any of the parties to this Agreement.

Section 7.03 No Waiver

Any party's failure to insist upon strict performance of any provision or obligation of this Agreement for any period is not a waiver of that party's right to demand strict compliance in the future. An express or implied consent to or waiver of any breach or default in the performance of any obligations under this Agreement is not a consent to or waiver of any other breach or default in the performance of the same or of any other obligation.

Section 7.04 Governing Law

This Agreement is governed, construed, and administered according to the laws of Florida, as from time to time amended, and any applicable federal law. No effect is given to any choice-of-law or conflict-of-law provision or rule (whether of Florida or any other jurisdiction) that would cause the application of the law of any jurisdiction other than those of Florida.

Section 7.05 Venue; Submission to Jurisdiction

A cause of action arising out of this Agreement includes any cause of action seeking to enforce any provision of or based on any matter arising out of or in connection with this Agreement or the transactions contemplated by it. Except as provided in Article Six, the parties agree that any suit, action, or proceeding—whether in contract, tort, or otherwise—arising out of this Agreement must be brought in a state or federal court or courts located in the State of Florida and in the county of or nearest to GDS-Global Dynamic Services LLC's principal office if one of these courts has subject-matter jurisdiction over the suit, action, or proceeding. Any cause of action arising out of this Agreement is deemed to have arisen from a transaction of business in Florida.

Each party irrevocably consents to the jurisdiction of these courts (and their respective appellate courts) in any cause of action arising out of this Agreement. Each party irrevocably waives—to the fullest extent permitted by applicable law—any objection that it may have now or later to the venue of any action arising out of this Agreement in any of these courts, including an inconvenient forum petition.

Service of process, summons, notice, or other document by registered mail to the address set forth in Section 7.10 is effective service of process for any suit, action, or other proceeding brought in any court.

Section 7.06 Waiver of Jury Trial

Each party to this Agreement acknowledges and agrees that any controversy arising out of this Agreement is likely to involve complicated issues. Therefore, each party irrevocably and unconditionally waives any right it may have to a trial by jury for any cause of action arising out of this Agreement.

Section 7.07 Equitable Remedies

Each party to this Agreement acknowledges that its breach or threatened breach of any of its obligations under this Agreement would give rise to irreparable harm to the other parties and monetary damages would not be an adequate remedy. Therefore, each party to this Agreement agrees that if any party breaches or threatens to breach any of its obligations, each of the other parties to this Agreement will be entitled to equitable relief, including a temporary restraining order, an injunction, specific performance, and any other equitable relief available from a court of competent jurisdiction (without any requirement to post bond). These equitable remedies are in addition to all other rights and remedies that may be available in respect of the breach.

Section 7.08 Attorneys' Fees

If any party to this Agreement institutes any legal cause of action—including arbitration—against another party arising out of or relating to this Agreement, the prevailing party will be entitled to the costs incurred in conducting the cause of action, including reasonable attorneys' fees and expenses and court costs.

Section 7.09 Remedies Cumulative

Except to the extent this Agreement expressly provides otherwise, the rights and remedies under this Agreement are cumulative and are in addition to and not in substitution for any other rights and remedies available at law, in equity, or otherwise.

Unless otherwise stated, all notices, requests, consents, claims, demands, waivers, and other communications called for under this Agreement must be in writing and will be deemed to have been given:

If notice is required to be given to a minor or incapacitated individual, notice must be given to the minor or incapacitated individual's parent or Legal Representative.

The written notice must be sent to the respective parties at the party's last known address (or at the address a party has specified in a notice given in accordance with this Section). Notice to Contractor may be sent to the address listed in this Agreement.

Section 7.11 Modification for Legal Events

If any court of competent jurisdiction determines that any provision or any part of a provision set forth in this Agreement is unenforceable because of its duration or geographic scope, the court has the power

to modify the unenforceable provision instead of severing it from this Agreement in its entirety. The modification may be made by rewriting the offending provision, by deleting all or a portion of the offending provision, by adding additional language to this Agreement, or by making other modifications as it determines necessary to carry out the parties' intent to the maximum extent permitted by applicable law. The parties expressly agree that this Agreement as modified by the court is binding upon and enforceable against each of them.

Section 7.12 Severability

The invalidity or unenforceability of any provision of this Agreement does not affect the validity or enforceability of any other provision of this Agreement. If a court of competent jurisdiction determines that any provision is invalid, the remaining provisions of this Agreement are to be construed as if the invalid provision had never been included in this Agreement.

Subject to Section 7.11, upon a determination that any provision is invalid, illegal, or unenforceable, the parties to this Agreement shall negotiate in good faith to modify this Agreement to give effect to the original intent of the parties as closely as possible in a mutually acceptable manner so that the transactions contemplated by this Agreement can be consummated as originally contemplated to the greatest extent possible.

Section 7.13 Separate Counsel

By signing this Agreement, each party acknowledges that this Agreement is the product of arms-length negotiations between the parties and should be construed as such. Each party acknowledges that he or she has been advised to seek separate counsel and has had adequate opportunity to do so.

Section 7.14 Entire Agreement

This Agreement constitutes the sole and entire agreement of its parties with respect to the Agreement's subject matter.
